Abhishek Joshi

has successfully completed the online, non-credit Professional
Certificate

Google UX Design

Those who earn the Google UX Design Professional Certificate have
completed seven courses, developed by Google, that include hands-
on, practice-based assessments and are designed to prepare them for
introductory-level roles in UX design. They can complete the design
process from beginning to end: empathizing with users, defining their
pain points, coming up with ideas for design solutions, creating
wireframes and prototypes, and testing designs to get feedback.
